Set Sail to the Ends of the Earth... with your Elna 945

Take a voyage with Elna and explore the reality your 945 allows you to create. Chart your course using the computerized display screen. Stitches are no longer uncharted territory. Your 945 is the map that helps you navigate your way through 24 built-in stitch programs. Choose from 5-Thread, Triple Cover Hem, Cover Hem, Safety 4-Thread, Rolled Hem, Flatlock, 3-Thread Overlock, just to name a few. Leave the old world behind with Elna's features.

The differential feed makes it easy to sew all fabrics. Knit and stretch fabrics will not lose their shape and lightweight woven fabrics will not pucker.

Control your sewing speed with the electronic speed reducer.

With the 945's advanced programming, automatic tension adjustment and memory functions, virtually all you have to do is thread and sew.

Elna exclusives?

It's smooth sailing when you want to change needles. Our innovative tilting needle clamp is wonderful for removing and inserting needles. Optional PRO Cards™ allow you to expand the program selections.
