SWISS DESIGN

elna
SWISS DESIGN

WARRANTY AND SERVICE: Elna's superior reputation was established in 1940 with the production of its first sewing machine. Ever since, Elna has continued to be a leading brand of home sewing and related equipment especially designed with the innovative sewer in mind. Thousands of professionals worldwide provide expert service. Millions of people have chosen Elna for its quality, performance and reliability.

www.elna.com

An expert crewmate at your side

Sail through the most complex sewing challenges! With the Elna 2600 and Elna 2800, you'll navigate effortlessly through any project, from minor alterations to major new creations. Feel the bracing thrill of new possibilities, ride the wave of your imagination and above all... enjoy yourself! Thanks to Elna's easy-change spool system and automatic needle threader, every move is a winner. And you'll go overboard using the huge range of practical and decorative stitches as you chart a new course in creativity.

ALWAYS READY FOR NEW ADVENTURES

It's full speed ahead for your unique brand of creativity

A MACHINE THAT REALLY KNOWS THE ROPES

Appliqués, bias: nothing holds back your desire to explore uncharted territory.

INFALLIBLE

A real time-saver: the automatic needle threader. (Available only on the Elna 2800.)

PERFECT FINISH

No more running adrift: perfect buttonholes in the blink of an eye.

BATTEN DOWN THE STITCHES!

An astonishing selection of practical, decorative and stretch stitches.

EVEN HANDLES KNITS

Stretchy fabrics require stretch stitches. Both models offer a wonderful selection.

AYE AYE, CAPTAIN.

Your machine carries out every command to the letter.

SWAB THE DECKS!

Whatever the fabric, expert results are just plain sailing.
