LARGER THAN LIFE

Envision yourself in the 21<sup>st</sup> century with your new Elna 8007. Express yourself when using the built-in letters and numbers. Choose between two alphabet styles, either uppercase or lowercase letters, in three sizes and add in some numbers to complete your thoughts.

Indulge yourself with the irresistible designs found on optional EnVision Cards. Mix and match designs from border, animal, holiday, and floral cards, just to name a few.

Inspire others with your ingenuity and talent. Share your spirit of fulfillment.

### QUILTING

Is quilting your passion? With your flair and gift for color, and our selection of quilting stitches, you will rise above the ordinary. Proudly display your handiwork.

### AND MORE

Experience the inviting selection of 70 built-in, traditional stitches, as well as its renowned embroidery.

# Elna 8007
