SWISS DESIGN

eXcellence 730-760

FOR THE ART LOVER

Couture is a mode of expression inspiring fine and original artworks. With the eXcellence 730 and the eXcellence 760, let your creativity flow. These two machines will be your best allies with an adjustable stitch width of 9 mm.

Virtuosos will appreciate 270 different stitches of the eXcellence 760, including 40 exclusive Elna stitches and presented on a large display under the top cover. Easily available via an intuitive jog dial and LCD screen interface, these stitches give you an infinite range of sewing possibilities.

IN DETAILS

Thanks to the extra-long arm, a wide sewing area, an optimal comfort and perfect functionality, the two models are specially designed for the largest sewing or quilting projects. Very powerful and very quick, eXcellence 730 and 760 will not only charm quilters and patchworkers, but also dressmakers, stylists and designers.

eXcellence 730

A WORLD TO EXPLORE

The eXcellence 730 has all the necessary features for advised sewers. The LCD panel with 10 direct selection keys, 120 stitches and an automatic needle threader will be essential supports for your quilting, patchwork and sewing projects. Discover step by step all the possibilities your sewing machine offers to improve your level.

eXcellence 760
