## Elna 2000: the reflection of ingenuity

Look what we've found! An affordable line of sewing machines that will enliven your creative brilliance. Who could have thought of machines so simple to operate yet able to fulfill your yearning to show off your sewing savvy? Why, Elna, of course!

You'll be exhilarated and inspired by the splendid stitches and outstanding features of the 2000 series of sewing machines. Try our one-step buttonhole system (models 2005 and 2007) and delight in the effortless results. Just a few of the many desirable features include clip-on feet, an electronic foot control, declutch bobbin winding, free arm and storage compartment.

Combine your creative ingenuity with Elna's technological ingenuity to achieve your ideals. Pure genius! Rave reviews are ensured.

### Automatic needle threader

Threading a needle is now a joyful occasion...with the built-in needle threader. Dependable and simple to use (models 2005 & 2007).

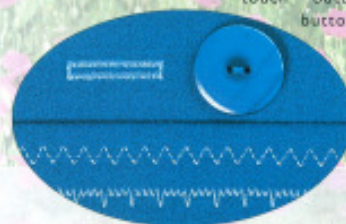

Combine stitches for impressive borders and trims.

Stretch stitches are essential for today's fabrics.

A pocket full of detailed topstitching.

The perfect finishing touch - buttons, buttonholes, hems.

Embellish with decorative stitches others will envy.

### Eureka - a host of optional accessories!

**Elastic Gatherer:** Evenly apply elastic directly to fabric without manually stretching and pulling the elastic.

**Fagoting Plate:** Threads sewn over an open area join two folded edges for a beautiful accent.

**Pivot Pin:** Sew perfect circles and curves while using a decorative stitch. Very attractive!

### Who would have thought it?

The Elna 2000 series of machines are ready and able to sew your keen fashion sense. Relax and be assured that your imaginative genius will take shape.
